We ♥ our Riverhead Community

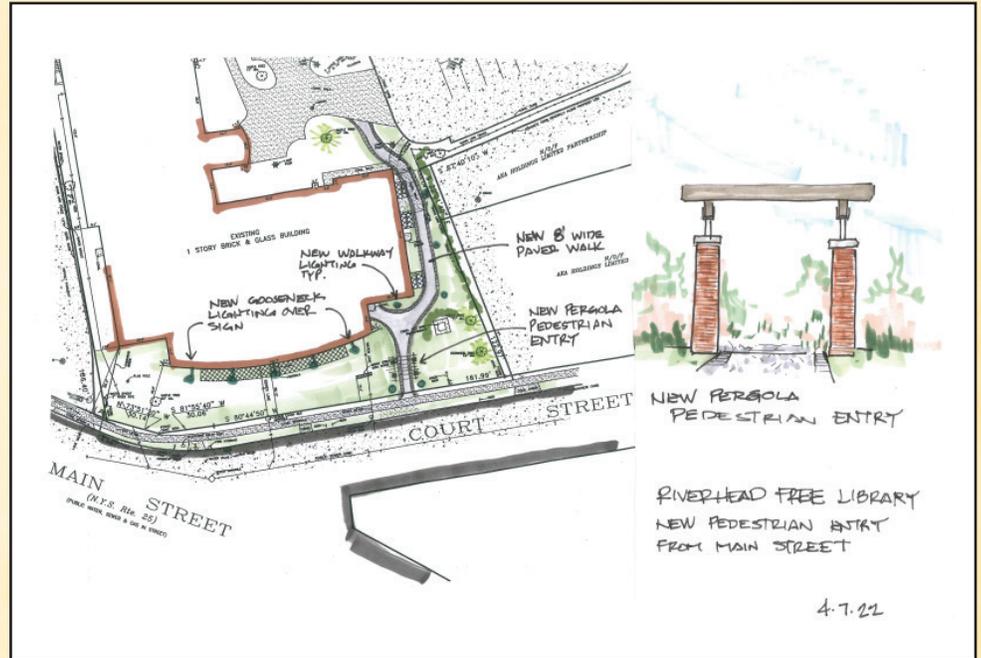

A Message to the Community

Riverhead was the recipient of a \$10 million Downtown Revitalization Initiative (DRI) grant from New York State. Our Library sits in a prominent location in the Town, at the western end of the Downtown Main Street corridor and is a community gathering place. We are excited to receive a portion of the grant to create an entrance on the front of our building facing Main Street and a Community Welcome Center. We are grateful to New York State for supporting our vision for the Library's future with this DRI grant. We are equally grateful to our neighbors, merchants, stakeholders, and town officials, who offered feedback and support as we developed our DRI proposal.

Kerrie McMullen-Smith,
Library Director
